during UN Disarmament Week

## UN Summit of the Future

The UNGA has decided, by resolution A/RES/76/307, to hold a “**Summit of the Future: multilateral solutions for a better tomorrow**” in September 2024.

The Summit is expected to establish a UN Envoy for Future Generations and adopt a Pact for the Future.

This event will consider how nuclear disarmament and climate protection, two essential issues for current and future generations, should be advanced in conjunction with the summit.
