

*Abolition 2000 Youth Working Group invites young academics, activists, policy analysts, students and other interested youth to:*

## ***Youth Actions for Nuclear Disarmament:***

*Focusing on Nuclear Abolition Day 2017  
and the UN High Level Conference on Nuclear Disarmament*

*Monday June 19 from 10:00 – 12:30  
Conference Room B, United Nations*

This will be a roundtable discussion chaired by Marzhan Nurzhan, Interim Convener of the Abolition 2000 Youth Working Group. All participants will have the opportunity to contribute.

The event will serve as a platform to:

- report on youth actions globally for nuclear abolition;
- develop joint plans for youth actions on September 26, the International Day for the Total Elimination of Nuclear Weapons (Nuclear Abolition Day);
- discuss youth promotion of and participation in the 2018 UN High Level Conference on Nuclear Disarmament.

Please confirm your participation to [marzhan@pnnd.org](mailto:marzhan@pnnd.org).

### **About the Youth Working Group**

*Abolition 2000, the global network to eliminate nuclear weapons, has established the youth working group to engage youth in nuclear disarmament. It provides a forum for networking between various youth-led nuclear disarmament initiatives, and with youth working on other related issues on peace and sustainable development. The working group also provides a bridge between youth and Abolition 2000 member organisations.*
